Media manager of Life Publishing and Life.ru, which are close to the Kremlin. One of the most influential people in the field complicit with instituting the propaganda and censorship that now permeates Russian media sphere. One of the main perpetrators of the Russian hybrid information war, especially in its early stages. According to Alexei Navalny's investigations, Mr Gabrelianov illegally increased his personal wealth through his connection to Russian government. Furthermore, Mr Gabrelianov was awarded the Order of Honor of Russia for "high professionalism and objectivity in reporting on events in the Republic of Crimea." Therefore, he is responsible for actively supporting or implementing, actions or policies which undermine or threaten the territorial integrity, sovereignty, and independence of Ukraine, as well as stability and security in Ukraine. According to a credible public investigation, he is involved in a corruption scheme for Moscow Mayor Sergei Sobyanin. The media controlled by him receive state funds from the budget of the city of Moscow for PR support for Sergei Sobyanin and the activities of the ruling political regime under the guise of providing services to the city of Moscow.
